Selectmen's Letter

1964

To the Citizens of Ashland:

There were numerous changes in the Town during the past year, all to the betterment of Ashland. As was voted last March meeting, the Municipal Court was moved to its new location over the Fire Station. A Judge's bench was constructed per requirements of the State Law. This consisted of a raised dias, a large desk and chair. The State flag was purchased and an American flag and base which are requirements by State Law, for a court of law. By the removal of the Court from the Town Office, assurance of privacy for both offices was provided.

Due to the new highway coming through the north-west portion of our Town, our electric light lines servicing that end of Town had to be relocated. We contracted with Seaward Construction Company of Kittery, Maine to perform the re-location in the amount of \$7,973.28 and received reimbursement from the State of New Hampshire in the amount of \$7,900.43. A general up-dating of that portion of line for a very minute cost.

- During the past year, considerable work has been done to improve the general appearance of the Town Office. Our thought was to improve on first impression of Ashland by visiting dignitaries, prospective taxpayers, salesmen and all others who might stop for information etc. To become a progressive community, you must take an initial step to prove your intentions. We feel justly proud in that the effort has been very rewarding, with many mentions of our "new" office.

In May, we found ourselves involved with defending the Electric Department's right to refuse any other utility to service customers within 1,000 feet of our lines. An appointment of Appeal was set by the New Hampshire Public Utilities Commission in Concord late in June. Mr. Carl Crowley, Commissioner of the Ashland Electric Department, George T. Ray, Esq., Town Lawyer and Beverley Y. LaBrique, Secretary/Bookkeeper to Commissioners reported to this hearing. Our case was ably defended by Mr. Crowley and Mr. Ray and the judgment was favorable to our cause.

Postcard billing was installed for the Electric Department in 1964. This type of billing is faster, and less expensive to handle. Approximate saving, annually, \$100.00. A change in rules and regulations effecting prompt payments was made in February becoming effective on April 1st, 1964. The result of this change, primarily, is the reduction of arrears and then only a 30-day arrear list is allowable. Therefore, a decrease in the end of the year arrears of about \$1,300.00 over last year.

The Water Department this year renewed a main on North Avenue to coincide with insurance requirements. Several new services were installed bringing the total number of services to 400. Some presently inactive, but are still available for service. Regulation governing apartment house rates were amended due to the difficulty in the department's control over empty apartments as follows: No abatements allowed for vacant apartments, but the owner has the right to ask for a meter to be installed to govern water usage for that building.

Mr. Benjamin Holt, who has served as our Civil Defense Director for many years, felt that due to the increase in filling out the many intricate forms and the great amount of time involved that he would be agreeable to a change of command. Therefore, we released him from his appointment and appointed Mr. Thomas McNamara to be the new Civil Defense Director. Full cooperation in his endeavor will be very much appreciated.

In November of 1958, the New Hampshire Water Pollution Commission classified the waters of the Pemigewasset River as Class D and the waters of Squam River as Class C. The State Legislature, in 1959, accepted these classifications and also stipulated that these two rivers must be cleaned up, to the point where they can be classified with a B1 rating. Furthermore, construction must be well started by 1967 and all sewerage must be out of the rivers by 1968. To avoid a penalty of \$1,000.00 per day for our town, it is most important that the article, regarding purchase of land from Cote and Gould, be understood and passed at this Town Meeting.

During the summer the motor on the 1948 Oshkosh truck was disassembled and found to be in a very bad shape. We had a choice of buying a re-built block at a cost of \$2,000.00 or a new motor for \$5,000.00. As the Oshkosh was 17 years old and there being a very good chance that other parts might be worn out, it was decided not to repair it. We checked other towns and found that three near-by towns had

purchased Hough Payloaders for plowing and snow removal. The Company which has the Agency was contacted and discussions were held, also other dealers in this type of equipment contacted us, but none of these had any of this type of equipment in use by towns in this vicinity. Therefore it was decided that on approval of the Budget Committee, we would lease until April 1st, 1965 for \$5,000.00. (\$1,000.00 from Highway parts and maintenance 1964 budget, \$2,000.00 for 1954 Payloader and \$2,000.00 for 1948 Oshkosh). The 1954 Payloader and the 1948 Oshkosh to be held until April 1st 1965. In case the Town does not wish to purchase this new equipment, the Payloader and Oshkosh are to be returned to the Town of Ashland and \$4,000.00, the balance of the lease price, paid to the dealer. The total cost of this equipment is \$25,030.00. The lease price of \$5,000.00, if accepted by the town will be applied to the purchase price, leaving a balance of \$20,030.00. \$5,000.00 to be taken from the Highway Capital Reserve fund in 1965 and the balance of \$15,030.00 on a 3 year term note.

Respectfully submitted,

Norman C. Weden

Irving H. Cilley

Carl E. Crowley

Article III

To see if the Town will vote to authorize the selectmen to file in behalf of the Town, an application (in form and manner required by the United States and in conformity to P.L. 560, 83rd Congress) and do whatever else may be required for an advance, in the amount of \$45,000. to be made by the United States to the Town of Ashland to aid in defraying the cost of final construction plans for sewerage and sewerage treatment facilities for the Town of Ashland, and further, to see if the Town will make the necessary arrange-

ments to provide such additional funds as may be required to defray the cost of preparation of the report and plans.

Motion was made and seconded that we authorize the selectmen to file application and do whatever is necessary to obtain the funds for final plans for sewerage for the Town of Ashland as stated in Article III. Written ballot requested.

Ballots Cast	100
Necessary	51
Yes	85
No	15

Article IV

To see if the Town will vote to raise and appropriate a sum of \$313.62 for Town Road Aid. (State to contribute \$2,090.80)

So voted.

Article V

To see if the Town will vote to raise and appropriate a sum not to exceed \$360.00 to provide group plan life and medical insurance benefits for all regular employees of the Town and their dependents.

So voted.

Article VI

To see if the Town will vote to raise and appropriate the sum not to exceed \$200.00 to install a street light on the street known as Cottage Place, said light to be located on Stewart's land, between St. Arnauld's and Jordan's land, (Petitioned by 10 legal voters.)

So voted.

Article VII

To see if the Town will vote to widen the present Church Street by eliminating the existing sidewalk, and paving this extra strip for use as part of the street. (Petitioned by 10 legal voters.)

So voted.

Article VIII

Shall the Town of Ashland continue to maintain its existing municipal court so long as its present judge remains in office. On printed ballot.

Results: Yes—326 No—26

Article IX

To see if the Town will vote to authorize the Selectmen to negotiate with the Housing and Home Finance Agency for an interest-free loan of \$20,000. to be drawn upon by the Planning Board in hiring a consulting engineer to work with them in developing plans for a minimum adequate sewerage disposal plant to meet the present needs of the Town of Ashland. When the Planning Board has developed a plan which it believes to be best for the Town of Ashland, it shall through appropriate channels exhibit same to the voters at a regular or special town meeting for the purpose of raising enabling funds. (Petitioned by 10 legal voters.)

Moved and seconded that article be dismissed. So voted.

Article X

To see if the Town will vote to raise and appropriate the sum of \$7,000.00 (seven thousand dollars) to reimburse the State of N.H. for the construction of 300 feet of 30" reinforced pipe at Station #2083 under Interstate 93 or crossing Rte. 93 at right angles at such a point that a projection of this line crosses the Collins Street Bridge. The invert elevation to be 465 at East end and 464 at West end. This pipe to become the westerly section of the out-fall when sewer is completed.

(Petitioned by 10 legal voters.)

Moved and seconded that article X be dismissed. So voted.

Article XI

To see if the Town will vote to accept the sum of \$200. to be used for the perpetual care of the Lamond lot in Green Grove Cemetery. Requested by Josie B. Lamond.

So voted.

Article XII

To see if the Town will vote to exempt from taxation for the year 1964 the air navigation facility known as 'Riverside Flying Service' owned by Norman P. Smith, Sr. provided such facility is available for public use without charge and the owner holds a certificate from the New Hampshire aeronautics commission that it is necessary for an effective airways system. The property to be exempt shall include the surfaces maintained and available for take-off, landing, taxiing, open air parking of an aircraft and any navigation or communications facility and any passenger terminal building available for public use without charge pursuant to RSA 72:38 as inserted by 1963, 79:2.

So voted.

To see if the Town will authorize the Selectmen and the Town Treasurer to borrow a sum or sums not exceeding in the aggregate \$100,000. and to issue in the name of the Town and on the credit of the Town, negotiable notes therefore, said notes to be repaid during the current municipal year.

So voted.

Article XVII

To see if the Town will vote to raise and appropriate the sum of \$5,420. for participation in an Urban Planning Assistance Program, known as the "701 Program." (Recommended by the Planning Board).

Note: Federal Share—\$12,840.; State Share—\$1,000.00; Town Share—\$5,420.

So voted.

A) To see if the Town will vote to raise the above appropriation as follows:

1. \$2,710. by taxation in 1964; So voted.

2. and will authorize the Selectmen and Town Treasurer to borrow an amount not to exceed in the aggregate \$2,710.00 on the credit of the Town, for the financing of the balance of the Program so voted, under a one year term note issue payable in one installment, with interest not exceeding four (4) percent. So voted.

Article XVIII

To see if the Town will vote to allow the tax collector to accept prepayments after April 1 and before tax bills are sent out pursuant to RSA 80:52a as inserted by 1963 N. H. 36.

So voted.

Article XIX

To see if the Town will authorize the Selectmen to sell tax acquired property.

So voted.

Article XX

To transact any other business which may legally come before said meeting.

Mr. Weden stated that Town Legal Counsel had advised that it was illegal to lay out the Sanborn Road as voted in 1963.

He also advised that the Reservoir Dam will have to be refaced soon.

Meeting adjourned.

Respectfully submitted,

Marion K. Merrill
Town Clerk

Town Warrant — 1965

The State of New Hampshire

To the Inhabitants of the Town of Ashland, in the County of Grafton in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at Ashland High School Auditorium in said Ashland on Tuesday, the ninth day of March, next at nine of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the ensuing year.
2. To see if the Town will approve and adopt the special recommendations of the Budget Committee and vote to raise and appropriate the various sums contained in the report and located in the Budget.
3. To see if the Town will vote to raise and appropriate the sum of one thousand dollars (1,000.00) for the purpose of providing a life guard at the Ashland Beach for the summer of 1965. (Petitioned by ten legal voters)
4. To see if the Town will vote to retain that portion of Route 3, n/w of village, as a section of the Town Highway system. Said portion having been reassigned by the State to a Class V highway.
5. To see if the Town will vote to raise and appropriate \$317.77 for Town Road Aid. (State to contribute \$2118.47)
6. To see if the Town will vote to appropriate a sum not to exceed \$20,030.00 for the purpose of buying a new Hough Payloader - 4 wheel drive - with bucket, snow plow and wing, as follows:
 - a) payment in 1965 of \$5000.00 to be made by withdrawal from Highway capital reserve fund.
 - b) and to authorize the Selectmen and Town Treasurer to borrow the balance of \$15,030.00 on a three year term note on the credit of the Town. (Recommended by the Budget Committee)

7. To see if the Town will vote to raise and appropriate the sum of \$4000.00 to pay the balance of rental agreement with R. C. Hazeltine Co. on new Hough payload-er and equipment. (recommended by the Budget Committee)
8. To see if the Town will vote to raise and appropriate a sum not to exceed \$5800.00 for the purchase of the so-called Cote-Goud property on Collins Street, to be used for the purpose of sewage lagoons.
9. To see if the Town will authorize the Selectmen and Town Treasurer to borrow a sum or sums not exceeding in the aggregate \$100,000.00 and to issue in the the name of and on the credit of the Town, negotiable notes therefor, said notes to be repaid during the current municipal year.
10. To see if the Town will authorize the Selectmen to sell tax acquired property.
11. To transact any other business which may legally come before said meeting.

Given under our hands and seal this 9 day of February, in the year of our Lord nineteen hundred and sixty-five.

Division of Municipal Accounting

State Tax Commission

Concord, New Hampshire

SUMMARY OF FINDINGS & RECOMMENDATIONS

February 5, 1965

Board of Selectmen
Ashland, New Hampshire

Gentlemen:

Submitted herewith is the report of the annual examination and audit of the accounts of the Town of Ashland for the fiscal year ended December 31, 1964, which was made by this Division in accordance with the vote of the Town. Exhibits as hereafter listed are included as part of the report.

SCOPE OF AUDIT

Included in the examination and audit were the accounts and records of the Board of Selectmen, Treasurer, Tax Collector, Town Clerk, Trustees of Trust Funds, Water and Electric Light Departments, Municipal and District Courts, Library, and Scribner Memorial Fund.

FINANCIAL STATEMENTS

Comparative Balance Sheets:

December 31, 1963 - December 31, 1964:
(Exhibit A-1)

Comparative Balance Sheets as of December 31, 1963 and December 31, 1964, are presented in Exhibit A-1. As indicated therein, the Surplus decreased by \$4,573.96, in 1964.

Analysis of Change in Financial Condition: (Exhibit A-2)

An analysis of the change in financial condition of the Town during the year is made in Exhibit A-2, with the factors which caused the change indicated therein. These were as follows:

Decrease in Surplus

Surplus Used to Reduce Tax Rate	\$10,000.00
Notes Issued During Year	2,710.00
Tax Liens Transferred to Tax Deeds	274.89
	<hr/>
	\$12,984.89

Increase in Surplus

Long Term Notes Paid	\$ 6,300.00	
Increase in Cash on Hand -		
Tax Collector	6.36	
Net Budget Surplus	2,100.14	
Tax Collector's Excess Credits (Net)	2.43	
Increase in Cash on Hand -		
Town Clerk	2.00	
		<hr/>
		8,410.93
		<hr/>
Net Decrease		\$ 4,573.96

Comparative Statements of Appropriations and Expenditures - Estimated and Actual Revenues: (Exhibits A-3 & A-4)

Comparative statements of appropriations and expenditures, estimated and actual revenues for the fiscal year ended December 31, 1964, are presented in Exhibits A-3 and A-4. As indicated by the budget summary (Exhibit A-4), a revenue surplus of \$386.66, plus a net unexpended balance of appropriations of \$1,713.48, resulted in a net budget surplus of \$2,100.14.

Summary Statement of Receipts and Expenditures: (Exhibit B-1)

A summary statement of receipts and expenditures for the fiscal year ended December 31, 1964, made up in accordance with the uniform classification of accounts, is included in Exhibit B-1. Proof of the Treasurer's balance as of December 31, 1964, is indicated in Exhibit B-2.

Water and Light Departments: (Exhibits G-1, G-2, G-3 and G-4)

Statements showing the financial condition of the Water and Electric Departments as of December 31, 1964, as well as the financial activity in these departments during the year, are presented in Exhibits G-1, G-2, G-3 and G-4.

Statement of Indebtedness: (Exhibit H)

A statement of outstanding long term indebtedness as of December 31, 1964, showing annual debt service requirements, is contained in Exhibit H.

AUDIT PROCEDURE

The accounts and records of all town officials charged with the custody, receipt and disbursement of public funds were examined and audited. Vouchers and cancelled checks were compared with supporting invoices and payrolls as well as entries in the books of record. Receipts were checked by source insofar as possible and totals of receipts and expenditures verified. Book balances were verified by comparison with reconciled bank balances made from statements obtained from depository banks. Verification of uncollected taxes was made by mailing notices to delinquent taxpayers as indicated by the Collector's records. The amounts of uncollected and unredeemed taxes as indicated in this report are therefore subject to any changes which may be necessitated by the return of verification notices.

GENERAL COMMENTS

Current Surplus:

The current surplus (excess of total assets over current liabilities) decreased by \$8,163.96, from \$37,879.24 to \$29,715.28, in 1964, as shown herewith:

	December 31, 1963	December 31, 1964
Total Assets	\$212,516.23	\$255,444.12
Current Liabilities	174,636.99	225,728.84
Current Surplus	\$ 37,879.24	\$ 29,715.28

Unredeemed Taxes - Prior Years' Levies:

It is noted that there are unredeemed taxes from the tax sales on account of the levies of 1961 and prior years as follows:

	Unredeemed Taxes
Levy of 1961	\$ 821.63
Levy of 1960	380.38
Levy of 1959	206.12
Levy of 1958	72.53
	<hr/>
	\$1,480.66

Inasmuch as the two year period provided by law for redemptions from tax sales has expired in the case of all unredeemed taxes from the sales on account of the levies of 1961 and prior years, the Tax Collector should deed to the Town all of the properties represented by these tax liens.

Tax Collector's Remittances:

It is noted that the Tax Collector had unremitted tax funds in the amount of \$3,141.85 on hand at the close of the

fiscal year. In this connection attention is called to R. S. A. 41:35, which provides in part as follows:

“* * * He (the collector) shall also make a final payment to the town treasurer of all moneys collected by him prior to December thirty-first as soon as possible after said close of the fiscal year. * * *”

The Collector should arrange with the Town Treasurer to have all remittances for the current year's account included in the Treasurer's receipts for that year so that the books of both of these officials will correspond.

List of Uncollected Taxes:

As part of a Collector's duties, as set forth in R. S. A. 41:35, it is required that a written report be made to the Town which shall contain the following information:

“the amount of taxes set down for him to collect; the amount of such taxes collected, together with any interest thereon; the amount of discount allowed, if any; the amount of taxes abated; a detailed list of uncollected taxes, and the amount received for such taxes as were payable for any prior tax year.”

Failure to provide such a list of uncollected taxes at the time when the annual examination and audit is made increases the time spent in making the audit with the resulting increase in cost to the Town.

Surety Bonds:

The surety bonds of the Town Clerk and Town Treasurer should be increased in amount as follows:

Town Clerk - increase from \$2,000.00 to \$3,000.00

Town Treasurer - increase from \$18,000.00 to \$20,000.00

Conclusion:

The provisions of Chapter 184 of the Laws of 1955, require that this report or the summary of findings and recommendations (letter of transmittal) shall be published in the next annual report of the Town.

We extend our thanks to the officials of the Town of Ashland for their assistance during the course of the audit.

Yours very truly,

HAROLD G. FOWLER, Director
Division of Municipal Accounting
State Tax Commission

Certificate of Audit

This is to certify that we have examined and audited the accounts and records of the Town of Ashland for the fiscal year ended December 31, 1964. In our opinion, the Exhibits included herewith reflect the true financial condition of the Town of Ashland on December 31, 1964, and the results of operations for the fiscal year ended on that date.

Respectfully submitted,

HAROLD G. FOWLER, Director
Division of Municipal Accounting
State Tax Commission

Public Health Report

The following is a report of Health Activities conducted for Ashland, by the N.H. Division of Public Health-Public Health Nursing, for the year 1964.

Ashland has two active Public Health Nurses who carry on a good program - thus it is unnecessary for the State to spend as much time with activities as with towns without nursing coverage. However, the service is available and assistance has been given to Local Nurses as necessary.

Four Oral Polio Vaccine clinics have been held - to complete the program started in 1963.

Sabin Vaccine given Types I, III & II 137 doses.

Notices were sent, through the School Nurses, to the school children (previous reactors to the tuberculin tests), of the chest xrays held at Plymouth by the N.H. Tuberculosis & Health Association in spring and fall. It is recommended that reactors to tuberculin tests follow with chest xrays yearly for at least three years. Notices were also sent to adults of the Chest clinic and Xray Mobile Unit held at Plymouth. A good number responded for routine xrays. Written reports were sent to all attending.

Children have been seen at N.H. Cripple Children's Clinics, Pediatric Cardiac Clinics, Retarded Clinics and others as necessary. Assistance was given under N.H. Vocational Rehabilitation and Sight Conservation.

My sincerest thanks to the Public Health Nurses, School Personnel and any others who assisted in the program.

Respectfully submitted

LOIS B. REED R.N.

Public Health Nurse, N.H. Division
Public Health

Ashland District Nurses' Annual Report

January 1, through December 31, 1964

House Calls	634
Office Calls	42
Welfare Calls	29
Number of Patients	84
Dental Clinics	9
Sabin Oral Polio Clinics	2
X-ray Clinics Chest Diagnostic Plymouth, N.H.	2
No. of Known Cases of Infectious Hepatitis	21
Immunized by Injection Polio and D.P.T. Pre-school	4
Assisting Patients by Telephone	Many
Field Trip Future Nurses Hanover, N.H.	1
To doctors with some Patients throughout the year	

Conferences with doctors concerning patients, other than our local town doctor. The nurse works with doctors from Plymouth, New Hampton, Laconia, Meredith, Concord and Hanover.

Work with and hold conferences with state public health nurse, state welfare workers, concerning patients and the public.

When necessary conferences with our local health officer.
Workshops 2
Medical meetings, Bretton Woods, Portsmouth, Winnisquam House, Meredith 4
Assist people in obtaining medical or financial aid.

Record work and many telephone calls throughout the year.

Type of work done by your district nurse— Injections of Medications, Baths, Enemas, Physical Therapy Treatments, Insertion of Foley Catheters, Douches, Blood Pressures, Dressings and what ever treatment that may be ordered by the doctors.

At this time we would like to thank all those with whom we have worked throughout the year for the betterment of the community.

Crutches, wheel chairs, urinals, pot chairs, beds, etc., were loaned to patients during the year. Your nurse performs many other services throughout the year that are too numerous to mention.

Helen Fisher, R.N.

NORMAN PRESCOTT

Auxiliary Police Secretary

The Annual Report of the Planning Board 1964

In the Spring the resignation of Rev. Bayard Hancock and Mr. Jesse Bartlett were accepted with regret. Both of these members had contributed greatly to the projects of the Board and to the research and publicity necessary for their success. The Board and the Town owe a debt of thanks to these faithful members for their valuable service.

G. Richard Tuxbury and John R. Smith were appointed by the selectmen to fill the existing vacancies on the Board.

In 1964 the "Ashland Directory" signs were repainted. Many tourists have complimented us on these attractive signs.

The Garneau plot was cleared, graded and seeded, and curbing was set. In 1965 further landscaping is anticipated, with planting of shrubbery to beautify this park area. Planting of a Memorial Christmas tree has been suggested for this plot in memory of a prominent citizen now deceased.

By Spring 1965 an 8' by 24' sign will be erected adjacent to Route 93 south of the Ashland Interchange. This sign will direct traffic to the Ashland businesses and recreational facilities.

In 1964 the Town accepted the Urban Planning Assistance Program, known as "701 Program" and appropriated \$5,420 as the Town's share. The amount of \$2,710 was raised by taxation in 1964.

After interviewing several firms of consultants, Atwood & Blackwell of Boston were engaged as consultants to work with the local State Planning Boards. The 701 Program did not get underway in 1964 because the State Planning Board did not have the professional staff members required by the Federal Government. We have been advised that an additional staff member has now been engaged and the 701 Program should start early in 1965. Land Use Maps have already been prepared by the State. Eighteen months will be required to complete this program.

The completion of the new Route 93 Interchange makes it evident that planning is essential for the future development and potential growth of our community. Our major project for 1965, therefore, will be initiating the first stage of the 701 Program.

Respectfully Submitted,
John R. Smith, Secretary
The Ashland Planning Board

Report of the Forest Fire Warden and Your District Chief

The 1964 forest fire season surpassed the record year of 1963 in both length and severity. For the second successive year, we experienced a rainfall deficiency of more than ten inches and the compounding of such drought conditions, together with the many days of strong, dry winds, characterized 1964 as one of the most hazardous years in the past half century. Although our fire season was three weeks longer than that of 1963, the number of fires showed only a slight increase and more remarkable was the fact that the area burned dropped from 2280 acres in 1963 to 900 acres in 1964. Early detection and rapid response kept many potential fire disasters from becoming reality. We all owe a debt of gratitude to the men in this community who responded and fought our fires so efficiently. Our state is now 86% wooded and its economy - both industrial and recreational - is greatly dependent on this forest resource. The responsibility for adequate fire protection of this great area - 4,350,000 acres - is everyone's responsibility and prevention is one of our most effective tools.

Prevention is good common sense.

1. Take your rubbish to the town dump. If you must burn, obtain a permit and watch your fire until it is dead out.
2. Instruct your children in fire safety. Keep matches from young children. Explain to them the dangers of lighting matches and making outdoor fires.
3. Be sure discarded smoking material and matches are out.

A major portion of our preventable fires this year are chargeable to three causes: (1) permit fires allowed to escape; (2) children playing with matches; and (3) smokers. Let's be mindful of the fact that all such fires endanger property and lives.

We wish to thank you for your very fine cooperation during the past fire season and with your continued cooperation we are confident that we can improve our fine record in 1965.

Minutes of March 11, 1964

School District Meeting, Ashland, N. H.

In accordance with the District Warrant, legally signed, and posted by the Chairman of the Board, J. Carlton Beard on February 19th, 1964, the meeting was called to order by Moderator Thomas Pryor at 2:00 P.M. on March 11, 1964 at the School Auditorium, the Warrant read and the polls for action under Article 1 declared open.

On motion it was voted to close the polls at 8:00 P.M. and at that time to take up the remaining articles.

Whereupon at 8:00 P.M., the polls were closed and the articles taken up with the following results.

Article 2

It was voted to accept the reports of the audit of the General Fund Account, Treasurer, Lunch Program & the High School Activities Account that was made by the State Tax Commission, and the reports of the Agents of the District as printed in the Annual School Report.

Article 3

It was voted to create a cooperative school district planning committee consisting of 3 qualified voters of the district, of whom at least one shall be a member of the school board; and that 2 members of the committee be elected from the floor & that the School Board be authorized to appoint a representative. A motion was made to nominate and elect the 2 members from the floor. Francis E. Merrill and Mrs. Helen Knowlton being the only nominations, the clerk was instructed to cast one ballot for each candidate & both candidates were declared elected.

Article 4

It was voted to have the budget items taken up separately, and a total sum of \$183,108.12 was accepted for the support of schools, for the salaries of officials & agents, & for the payment of statutory obligations of the district, & to authorize the application against said appropriation of such sums as are estimated to be received from the State Foundation Aid Fund and State Building Aid Fund together with other income; the School Board to certify to the Selectmen the balance between the estimated revenue & the appropriation, which balance is to be raised by taxes by the town.

The following amounts were voted ;

Administration

Salaries	\$ 880.00
Contracted Services	670.00
Other Expenses	512.00

Instruction

Salaries	115,240.00
Library	1,737.75
Textbooks	3,860.61
Teaching	4,079.23
Contracted Services	277.50

Attendance	25.00
Health	2,850.00
Transportation	4,040.00

Operation of Plant

Salaries	6,100.00
Supplies	1,256.75
Contracted Services	75.00
Heat	5,800.00
Utilities	2,236.00
Maintenance	3,598.50

Fixed Charges

Ret. & FICA	8,537.69
Insurance	1,572.58
School Lunch	400.00
Student Body Activities	2,364.00

Capital Outlay

Sites	725.00
Buildings	690.00
Equipment	1,553.84

Debt Service

Principal	5,000.00
Interest	2,451.00

Outgoing Transfer A/cs

Tuition	311.00
Supervisory Union	3,133.07
Deficiency-prior year	1,550.00

Total \$183,108.12

Article 5

On motion it was voted to authorize the School Board to petition the State Legislature to approve reducing the present 6 member board to a 5 member board.

Article 6

It was voted to authorize the School Board to make application for and to accept, on behalf of the District, any or all grants or offers for education purposes which may now or hereafter be forthcoming from the State of New Hampshire &/or the United States.

Article 7

It was voted to authorize the School Board to appoint agents and committees whenever necessary.

Article 8

Commendation and thanks were expressed by the Chairman of the Board, and Mary Ruell, Board member, for the faithful services of retiring member H.L. Cote, and retiring treasurer, Max Weisberg.

Article 1

Results of the balloting for candidates. Votes cast 168.

Moderator

Thomas Pryor had 150 votes ;

Clerk

Lillian M. Young had 152 votes ;

School Board Member for 2 years

Ruth Morrison had 137 votes ;

School Board Member for 3 years

Harold Emerson had 133 votes, and Guy F. Lamond had 142 votes, & 2 being required both were declared elected ; and all of the foregoing candidates were declared elected and sworn by the moderator and clerk ; and

Treasurer

Thomas Heinz had 113 votes, Homer N. Young had 55 votes, and Thomas Heinz having the plurality was declared elected and sworn.

Adjournment

School District Clerk

State of New Hampshire

School District Warrant

Grafton, SS

School District of Ashland

To the Inhabitants of the Ashland School District in the Town of Ashland, in the County of Grafton, in said State, qualified to vote in District affairs:

You are hereby notified to meet at the Ashland School Auditorium-Gymnasium in said District on the 10th day of March, 1965, at 2:00 P. M. in the afternoon, to act on Article I hereof, and you are further notified to meet at the same place on the same day at 8:00 P. M. to act on the remaining articles in this warrant:

Article I of this warrant covering the election of Moderator, Clerk, Treasurer and one member of the School Board will be acted upon at 2:00 P. M., and voting will be by official ballot and check list. The polls will remain open for this purpose from 2:00 P. M. until 8:00 P. M., if the meeting so determines.

- Article 1. To choose by ballot a Moderator, a Clerk, and a Treasurer to serve one year, and one member of the School Board to serve a term of three years.
- Article 2. To hear the reports of Agents, Auditors, Committees or Officers chosen, and pass any vote relating thereto.
- Article 3. To see if the District will vote to build two additional classrooms, toilet and storage areas to the Allen K. Ober Elementary School.
- Article 4. To see if the District will vote to raise and appropriate a sum not to exceed \$48,000.00 for the construction of a two-room addition to the Allen K. Ober Elementary School, including architect's fees, furniture, furnishings and equipment, and in order to provide such funds to authorize the School Board to borrow the amount voted and to issue serial notes or bonds in the name and on the credit of the District, and to fix the time and place of payment, the rate of interest, terms, maturities and provide for the sale thereof; all in accordance with Chapter 33, New Hampshire Revised Statutes, Annotated, known as the Municipal Finance Act, and any amendments applicable thereto.

- Article 5. To see if the District will vote to appoint a Building Committee, consisting of three persons, to advise the School Board in supervising the construction of said building, providing that the plans and specifications shall finally be approved by the School Board acting alone as required by law, and to further authorize the School Board to execute any and all contracts or agreements necessary in connection with the construction and equipping of said addition.
- Article 6. To see what sum of money the District will vote to raise and appropriate for the support of schools, for the payment of salaries for school district officials and agents and for the payment of the statutory obligations of the District.
- Article 7. To see if the district will vote to authorize the School Board to make application for and to accept, on the behalf of the district, any or all grants or offers for educational purposes which may now or hereafter be forthcoming from the State of New Hampshire and/or United States.
- Article 8. To transact any other business that may legally come before the meeting.

Given under our hands at said Ashland this 15th day of February 1965.

SUMMARY OF FINDINGS AND RECOMMENDATIONS

July 31, 1964

**The School Board
Ashland School District
Ashland, New Hampshire**

Gentlemen:

Submitted herewith is the report of the annual examination and audit of the accounts of the Ashland School District for the fiscal year ended June 30, 1964, which was made by this Division in accordance with the vote of the District. Exhibits as hereafter listed are included as part of the report.

SCOPE OF AUDIT

Included in the examination and audit were the accounts and records of the School Board and the School District Treasurer.

FINANCIAL STATEMENTS

Comparative Balance Sheets: (Exhibit A)

Comparative Balance Sheets as of June 30, 1963 and June 30, 1964, are presented in Exhibit A. As indicated therein, the Net Debt decreased by \$5,825.08 during the fiscal year ended June 30, 1964.

Analysis of Change in Financial Condition: (Exhibit B)

An analysis of the change in financial condition of the School District during the fiscal year is made in Exhibit B, with the factors which caused the change indicated therein.

Comparative Statements of Appropriations and Expenditures - Estimated and Actual Revenues: (Exhibits C & D)

Comparative statements of appropriations and expenditures, estimated and actual revenues for the fiscal year ended June 30, 1964, are presented in Exhibits C and D. As indicated by the Budget Summary (Exhibit D), a revenue surplus of \$1,124.76, less a net overdraft of appropriations of \$1,099.75, resulted in a net budget surplus of \$25.01.

Summary Statement of Receipts and Expenditures:
(Exhibit E)

A summary statement of receipts and expenditures for the fiscal year ended June 30, 1964, made up in accordance with the uniform classification of accounts, is included in Exhibit E. Proof of the Treasurer's balance as of June 30, 1964, is indicated in Exhibit F.

Statement of School Lunch Account: (Exhibit G)

A statement of the receipts and expenditures of the School Lunch Account for the fiscal year is shown in Exhibit G.

Statement of Student Activity Accounts: (Exhibit H)

A summarized statement of the Student Activity Accounts is included in Exhibit H.

Statement of Bonded Debt: (Exhibit I)

A statement of the outstanding bonded indebtedness of the School District as of June 30, 1964, showing annual debt service requirements, is contained in Exhibit I.

Statement of School Tax Account: (Exhibit J)

A statement of the School Tax Account with the Town of Ashland is presented in Exhibit J. As indicated therein, as of June 30, 1964, the School District had received from the Town the total amount of the 1963-64 School Tax, plus a prepayment of \$1,550.00 of the 1964-65 tax on account of a deficiency appropriation of this amount voted at the annual meeting in March 1964.

GENERAL COMMENTS

Current Surplus:

It is noted that the current surplus (excess of total assets over current liabilities) increased from \$749.93 to \$1,575.01, during the fiscal year ended June 30, 1964, as shown herewith:

	June 30, 1963	June 30, 1964
Total Assets	\$3,159.45	\$2,506.36
Current Liabilities	2,409.52	931.35
Current Surplus	\$ 749.93	\$1,575.01

Conclusion:

The provisions of Chapter 184 of the Laws of 1955, require that the summary of findings and recommendations (letter of transmittal) of this report shall be published in the next annual report of the School District.

We extend our thanks to the officials of the Ashland School District for their assistance during the course of the audit.

Yours very truly,

HAROLD G. FOWLER, Director
Division of Municipal Accounting
State Tax Commission

Lionel J. DeGrace

Frederick E. Laplante

Certificate of Audit

This is to certify that we have examined and audited the accounts and records of the Ashland School District for the fiscal year ended June 30, 1964. In our opinion, the Exhibits included herewith reflect the true financial condition of the School District on June 30, 1964, together with the results of operations for that fiscal year ended on that date.

Respectfully submitted,

HAROLD G. FOWLER, Director
Division of Municipal Accounting
State Tax Commission

Report of Superintendent of Schools

To the School Board and Citizens of Ashland:

I respectfully submit my tenth annual report as Superintendent of the Ashland School District.

Staff

The schools opened in September of 1964, with eight new members on the staff, seven in the Junior-Senior High School and one in the Elementary School.

Mr. Paul J. Breckell, a graduate of Plymouth State College, replaced Mr. Donald Jacques as teacher of social studies.

Mrs. Gayle A. Davis, a graduate of the University of New Hampshire, is teaching the Home Economic classes as Mrs. Gloria Robinson, who had been a member of the staff for eleven years, became Head of the Home Economic Department at Rochester, N.H.

Mrs. Janet S. Kuhlmeier, a graduate of Plymouth State College, replaces Mrs. Alice Sterling as teacher of English. Mrs. Sterling became a member of the staff at the Newfound Regional Cooperative High School.

Mrs. Maureen S. Nicholson, a graduate of Castleton State Teachers College, is teaching the classes in English in the Junior High School replacing Mrs. Beverly Felton who is at home.

Mr. David A. Ross, a graduate of Plymouth State College, replaced Mr. Donald Stephenson as teacher of Junior High mathematics. Mr. Stephenson is teaching at Laconia High School and is also the coach of the Ski Team.

Mr. Eugene L. Langdoc, a graduate of Boston University, assumed the duties of director of the music program as Mr. Heald is now employed full time at Inter-Lakes High School.

Mr. James Fortune, a student at Plymouth State College is teaching the classes in art as Mrs. Flaherty's husband moved to the State of Maine.

Mrs. Ruth L. Lavine, a graduate of Keene State College, replaced Mrs. Jennifer B. Cravotta as Special Help Teacher in grades four, five and six. Mrs. Cravotta replaced Mrs. Foster who is at home. Mrs. Cravotta was released due to illness.

Additions and Improvements

The parking area at the Vocational Building was given a coat of penetrating oil.

The hardtop area at the Ober School was enlarged.

Venetian blinds were installed in one of the rooms at the Ober School.

The windows and trim on both the high school and elementary school were painted and also, considerable painting was done on the inside of the high school.

Regional School Study

At the Annual School District Meeting in March of 1964, the District voted to create a Cooperative School District Study Committee, and the following members were appointed by the moderator: Mrs. Helen Knowlton, Mr. Francis Merrill and Mr. Guy Lamond, representing the School Board. Mrs. Muriel Dicey was appointed to replace Mr. Merrill when he passed away, and in the fall Mr. Thomas Heinz was appointed to replace Mrs. Dicey.

An organizational meeting of the Planning Committee from Ashland, Campton, Holderness, Plymouth, Rumney, Thornton and Wentworth was held on April 2, and a Cooperative School District Planning Board was formed. At the meeting on April 16, the Warren Study Committee joined the Board.

The Cooperative Planning Board held six meetings last spring and at the meeting on June 18, it was agreed that some of the committees should hold public hearings in their respective towns to get an opinion as to the area to be studied in regards to the grades to be included.

The Planning Board held a meeting on July 16, and after much discussion it was agreed to dissolve the Planning Board and attempt a new study in September as a major vote is needed in regards to the grade level to be studied.

The Cooperative School District Planning Board was reformed in September and after much discussion a majority vote to study a grade seven through twelve set up was obtained and since then the Board has been holding meetings and making a study of grades seven through twelve in regards to enrollment, curriculum, transportation, building needs and estimated costs.

Costs

The property tax assessment for the school year 1964-65 was \$145,765.70. The Ashland School District received \$8,-802.88 from the sweepstakes, \$25,493.03 under the State Foundation Program, and \$1,380.60 in Building Aid.

The cost per pupil as computed by the State Department of Education for Ashland for the school year 1963-64 is as follows: Grades 1 - 6, \$266.41; Grades 7 - 8, \$370.63, and Grades 9 - 12, \$538.25. The State average for elementary schools was \$311.00, Junior High Schools \$412.00, and High Schools \$467.00.

Proposed Addition

The addition to the Allen K. Ober Elementary School is urgently needed, and I feel the School Board's proposal warrants support.

At the present time the top floor and room on the second floor in the old Town Hall are being used for classes and in light of safety and health these areas are not considered adequate as the top floor has two fan heaters that are very noisy and the room on the second floor has only one small window.

Two rooms added to the Ober School would free two rooms in the elementary school for the Junior High classes.

Conclusion

I wish to thank and commend the members of the Ashland School Board for their continued support. They have spent many hours establishing policies and programs that will insure that the young people of this area will get the best education that we can afford to buy. The approach has been very practical and yet forward looking and as a result of fine cooperation and support, our achievements are most gratifying.

A quality of education is dependent upon many factors and the most important is effective teaching, and so the Principal and Staff are to be commended for their cooperation and sincere devotion to their duties.

Martin E. Heffernan
Superintendent of Schools

SUPERVISORY UNION #2

BUDGET

The Supervisory Union Budget for the 1965-66 school year is prorated among the three districts on the basis of the 1963-64 average daily membership and the 1962 equalized valuation as follows:

District	Percentage	Office Exp.	
		Supt's Salary	Sec. Salary & Travel
ASHLAND	19.80%	\$1,782.00	\$1,623.01
INTER-LAKES	65.97%	5,937.30	5,407.58
HOLDERNESS	14.23%	1,280.70	1,166.44
	<hr/> 100.00%	<hr/> \$9,000.00	<hr/> \$8,197.03

The Superintendent's salary for 1964-65 is \$11,000.00. The Supervisory Union's share is \$8,500.00 and the balance of \$2,500.00 is paid by the State Department of Education.

Principal's Annual Report

The following is the principal's annual report for the year 1964-1965. It is hoped that the following information will be of interest and usefulness.

ELEMENTARY REPORT

The enrollment as of February 9, 1965, is as follows:

Grade 1. Present enrollment - 39

Since September 9, 1964 -

transferred outside Ashland 3

Received from outside Ashland 0

Grade 2. Present enrollment - 34

Since September 9, 1964, -

transferred outside Ashland 3

Received from outside Ashland 4

Grade 3. Present enrollment - 26

Since September 9, 1964 -

transferred outside Ashland 1

Received from outside Ashland 4

Grade 4. Present enrollment - 41

Since September 9, 1964 -

transferred outside Ashland 1

Received from outside Ashland 2

Grade 5. Present enrollment - 33

Since September 9, 1964 -

transferred outside Ashland 1

Received from outside Ashland 0

Grade 6. Present enrollment - 34

Since September 9, 1964 -

transferred outside Ashland 2

Received from outside Ashland 2

Total enrollment as of September 4, 1964 - 207

Total present enrollment as of February 9, 1965 - 211

Number of Elementary tuition students - 0

The new school year of 1964-65 began with the absence of the split grade at the fourth and fifth grade level. After consideration of the "pros" and "cons" regarding this type of grouping at Ashland, it was decided feasible to initiate the following innovations:

1. A special remedial reading teacher be employed to give special attention to remedial readers from grades 4, 5, and 6.

2. Partial departmentalization of grades 5 and 6. This was brought about in the following way:

- a. Average and high reading groups in grades 5 and 6 meet each day with Mrs. Smith.
- b. Social Studies classes in grades 5 and 6 meet each day with Mr. O'Donnell.

A current evaluation of our primary reading program has prompted us to re-evaluate our objectives and aims at this level. The administration and teachers have resolved that more emphasis be placed on phonics and individualized reading in grades 1 - 3. We feel that in light of the ever demanding emphasis on good reading skills at all levels, a more concerted effort be advanced to assure the development of better readers in our schools. Much credit goes to Miss Ruth Morrison for giving so freely of her time and knowledge in helping to evaluate and re-structure our reading program at this level.

As a result of our social studies evaluation last year the sixth grade is studying World History. We feel that emphasis on the development of chronological understandings of World History at this level was essential to the attainment of objectives at higher grade levels.

After a careful evaluation of the new modern math textbooks it was decided to remain with the more traditional Silver Burdett Series for at least another year. At present there seems to be too many conflicting reports concerning the overall effect of the new modern math approach. The Silver Burdett math does introduce some modern concepts while at the same time continuing the conventional approach.

Junior High School

The enrollment as of February 9, 1965, is as follows:

1. Grade 7. Present enrollment -	38
Since September 9, 1964 -	
transferred outside Ashland	0
Received from outside Ashland	1
2. Grade 8. Present enrollment -	31
Since September 9, 1964 -	
transferred outside Ashland	0
Received from outside Ashland	2

Total enrollment as of	
September 9, 1964 -	66

Total Present enrollment as of	
February 9, 1965 -	69

Number of tuition students -	1
------------------------------	---

The major curriculum change in the junior high school is in the social studies area. Due to an evaluation of our social studies program a Comprehensive World Geography is being taught at the seventh grade level. In the eighth grade we are introducing a new approach. In light of our plans for high school social studies, it is planned that two objectives be sought at this grade. First, a greater in-depth concentration on selected topics in World History stressing three themes are being developed. Emphasis on the anthropological-socialological, economic, and political themes will be a basic part of this phase of study. This will necessitate the use of concentrated "post-hole" examples of various periods of World History leading up to early Colonial America. This was accomplished in the first eighteen weeks of school. Second, during the last eighteen weeks of school a study of Colonial America through the founding of the Constitution will be offered. This course will emphasize a world-setting indebtedness to the past as well as the uniqueness of the American system. It will be further stressed that the students' understanding of geography, economics, sociology, and political science be more complete.

Several of our eighth grade math students are taking 9A Algebra in keeping with our desire to accelerate those few students who are capable of doing advanced grade work.

This winter a junior high school developmental basketball program is finally underway. Boys from grades 7 and 8 will have the opportunity to develop basic basketball skills prior to actual game competition. The boys will play several games to complete the program this year. It is possible that our junior high will enter the area league another season.

High School Report

The enrollment as of February 9, 1965, is as follows:

1. Grade 9 - Present enrollment -	32
Since September 9, 1964 -	
transferred outside Ashland	1
Received from outside Ashland	1
Dropped from school	1
2. Grade 10. Present enrollment -	30
Since September 9, 1964 -	
transferred outside Ashland	1
Received from outside Ashland	2
3. Grade 11. Present enrollment -	29
Since September 9, 1964 -	
transferred outside Ashland	0
Received from outside Ashland	1
Dropped from school	1

4. Grade 12. Present enrollment -	37
Since September 9, 1964 -	
transferred outside Ashland	0
Received from outside Ashland	0
Dropped from school	3
Total enrollment as of	
September 9, 1964	125
Total present enrollment as of	
February 9, 1965	128
Number of tuition students	9

The major change in high school this year is concerned with the curriculum. In social studies the following new courses are now being offered to the college preparatory student:

9th Grade - Modern Eurasian History - From 1790 to Current Times

10th and 11th Grades - Two year sequences in American History

12th Grade - Humanities

All of the above courses are intended to better prepare the college bound student in areas of correlative techniques and critical thinking. We have felt it necessary to change our course emphasis to areas which will better prepare the student to regard history from a world oriented point of view. This, we feel, is absolutely essential in today's setting. We also feel that these added courses will provide our students with a richer, more adequate background in the social sciences.

We have also initiated math offerings which will now provide our general curriculum students with the opportunity to elect a three-year math sequence. This is particularly significant as it allows the technical school prospect to add algebra and geometry to his background during his high school experience. Prior to this it was usually possible for him to elect only general math and consumer math.

At present we have several students doing accelerated work in mathematics above their present grade level. It is now our responsibility to provide challenging material for these students in their senior year. One possibility is to send them to Plymouth State College for one period of college math.

Starting next year Ashland High School will offer a four-year French program. Currently we are offering three years of French. Latin I will alternate every-other-year with Latin II.

We are currently initiating a study of our English curriculum in grades 7-12. It is our hope to develop a much stronger transitional program in English from grades 1-12. We are presently considering several changes which we hope will strengthen our program if implemented.

Much can be said for the effectiveness of our Guidance Department in up-to-date testing and services for our junior and senior high school students. Our group guidance sessions now embrace the junior high classes and the eleventh grade. Individual counseling is available at any time for any student. We offer the same testing services as were available last year. We believe these services are both adequate and practical.

The recent evaluation of Ashland High School by the State Department of Education produced the following recommendations:

1. Plant and Facilities

1. That the administration review its decision to utilize the space on the third floor of the old Town Hall. This should be reconsidered in the light of the health and safety of the pupils; the renting of adequate, safe space or the reassignment of partially used existing space such as the stage and shop might provide less undesirable facilities. For instance, present General Math classes which meet on the third floor could meet in the shop; the art, music and homeroom could use the stage area. This may necessitate some rescheduling where conflicts between different classes arise. If conflicts cannot be resolved, it might be more desirable to cut back on the program than to continue to place pupils in such unhealthy and hazardous space.
2. That this review also be concerned with the use of the second floor for anything other than home economics.
3. That this administration continue to pursue the cooperative study with surrounding communities and that ways be found to present the limitations of the present program and facilities to responsible local groups. We cannot overstate the immediacy of finding a desirable solution to these problems.

2. Staff

1. That adequate and effective custodial services be employed at wage rates conducive to procuring and retaining competent help; it might prove helpful to consider hiring a woman to do the dusting and light cleaning tasks and using male help for general cleaning and maintenance.

2. That sufficient qualified staff be employed to meet minimum standards of library supervision.
3. That the library budget be increased.
4. That sufficient staff be employed so that no teacher's assignments exceed the minimum standards as established for approved junior-senior high schools.
5. That a full-time secretary be hired immediately to relieve the principal of clerical duties. In view of the existing problems, the principal should have adequate time for supervision and curriculum planning.
6. That plans be developed to provide guidance services, supported by clerical help, for grades 1 - 12.

3. Curriculum

1. In order to provide a stronger math sequence for those not taking the college level sequence, it is recommended that students now scheduling General Math 9B elect Remedial Math at grade 9. Students then should be encouraged to complete the normal math sequence at this level (Math I, II, III).

Those students now in Math 9A be encouraged to elect Math I in grade 9 and then complete the sequence; those who progress sufficiently should be encouraged to elect Algebra and/or Geometry.

2. Home Economics: It is understood that the program in Home Economics will be adjusted to incorporate the suggestions made by the State Supervisor, Miss Lila Murphy.
3. Physical Education: That consideration be given to the development of a strong health and physical education program for grades 1 - 12; special attention should be given to the early teenage groups; also, with the possibility of the stage being used for classes, that efforts be made to plan for increased outdoor activities.
4. Industrial Arts: Due to the problems of teacher load and pupil scheduling, we recommend that further study be given the Industrial Arts program before implementing schedule changes discussed at time of visitation.

4. Library

1. Increase to at least the minimum time recommended in "Standards for High School Libraries in New Hampshire" for teacher-librarian services (one period per 75 pupils) by reducing the homeroom and teaching assignments of this staff member.

2. Allow considerably more than the recommended minimum expenditure per pupil for library books and supplies until at least recommended minimums are reached.
3. Increase space for updated materials by discarding the outmoded books and references which are no longer of use.
4. Discard the old and multi-copy sample textbooks. This will give a more realistic count in terms of the basic collection.
5. Buy adequate card catalogue files.
6. That the administration develop definite plans to increase the availability of library services to pupils and teachers from grades 1 - 12. Particular attention should be directed towards scheduling study halls in closer proximity to the library.
7. That coordinated efforts by all staff members from grades 1 - 12 be augmented to insure early and continuous appreciation and use by all students of the learning opportunities afforded by a school library. The enrichment of the basic program is an essential part of an adequate learning environment.

Summation: We recognize that the number of suggestions are many and may tend to be discouraging; however, we are confident that the sincere concern of the administration and staff will produce continued improvements. The implementation of these suggestions will depend upon their practicality and the willingness of the community to support more adequately the necessary programs and facilities compatible with the needs of the pupils of Ashland.

Complete copies of this report, with commendations and recommendations, are available at the high school office. We have also listed our own reactions as to how these recommendations can be, or cannot be, met.

I wish to take this opportunity to thank the superintendent of schools, the school board, teachers, students, and townspeople for their cooperation and helpfulness towards the completion of a successful school year.

Respectfully submitted,

WILLIAM H. MARSTON
Principal

Ashland-Inter-Lakes Supervisory Union
